PARENT TEACHER CONFERENCES

We are scheduling conferences online and they will be held in-person this year. This is available on the Woodbridge web page. Simply go to <http://woodbridge.zps.org> and follow the link. Once you register your email address you will be sent an email to sign up for the conference time that works best for you. If you prefer to meet via Zoom, please indicate this in the special request box when you sign up.

If you have a busy schedule and have limited availability, we recommend that you schedule your conference right away because it is first come, first served. If you run into any difficulties, or you do not have internet access or an email address, please call the office at 748-3400 or stop in to schedule your conference.

For the benefit of your child, if they are part of more than one household, we ask that you schedule only one conference together.

SPIRIT FRIDAYS IN NOVEMBER

November 5 - Pajama Day

November 19 - Mismatch Day

Possession of Unnecessary Objects/Electronics

Any item which might disrupt the learning atmosphere or present a safety hazard is not to be brought to or used at school. Such items include matches, lighters, firecrackers, knives or sharp objects of any kind, toy or squirt guns, laser pointers, or propellant devices of any kind. Items will be confiscated, appropriate disciplinary action taken, and parent(s) notified that the object can be picked up in the office. Repeated violations involving objects such as those listed above will result in further disciplinary action by the principal. 5 Respecting the fact that children enjoy sharing their card collections, cards do have a variety of value and the trading of these cards cannot be monitored. This subjects our students to the possibility of losing cards of value, etc. We ask that card collections not be brought to school. If students do bring cards, they will be taken and kept in the office for a parent to pick up. Electronics should not be brought to school. First, they may pose disruptions to the learning environment. Also, school staff cannot assume responsibility for valuable electronics. If parents choose to have their children bring cell phones to school, they need to be turned off and kept in backpacks during the school day. If a student has a cell phone out, it may be confiscated.

This is from the [ZPS Parent/Student Handbook](#) which can be found on the [Woodbridge Website](#). Please take a moment to review this and other policies with your child(ren).

MESSAGE FROM THE WFA

Parent/Teacher Conferences are right around the corner and we'd like to provide our amazing Woodbridge teachers with a meal! In years past, we have asked parents to bring in food for the teachers. This year, we are hoping to treat them to catered meals from Hog Wild and StrEATs Taco Bar. The teachers at Woodbridge have been amazing throughout this crazy year and a half, and deserve this special treat. So, we need your help! In order to make this happen, we need to raise approximately \$850.00. If you are able to donate, please feel free to send donations in with your child in an envelope labeled 'Teacher Conferences Donation' or you may drop off your donation in the office. **Donations would be appreciated by November 4 so we know what to plan on.** Thank you for supporting our teachers!!
