Our Student Leadership Team is excited to share an important update with you! Please take a moment to watch the attached short video where our students talk about our ongoing clothing drive, why it matters to our community, and how your family can get involved. Whether you have gently used coats, shirts, or shoes to spare, every donation makes a big difference. Watch the video to learn about the items we need most, where to drop off your donations, and the final deadline to contribute. Thank you for helping our students make a positive impact.

Winter Weather Reminder...

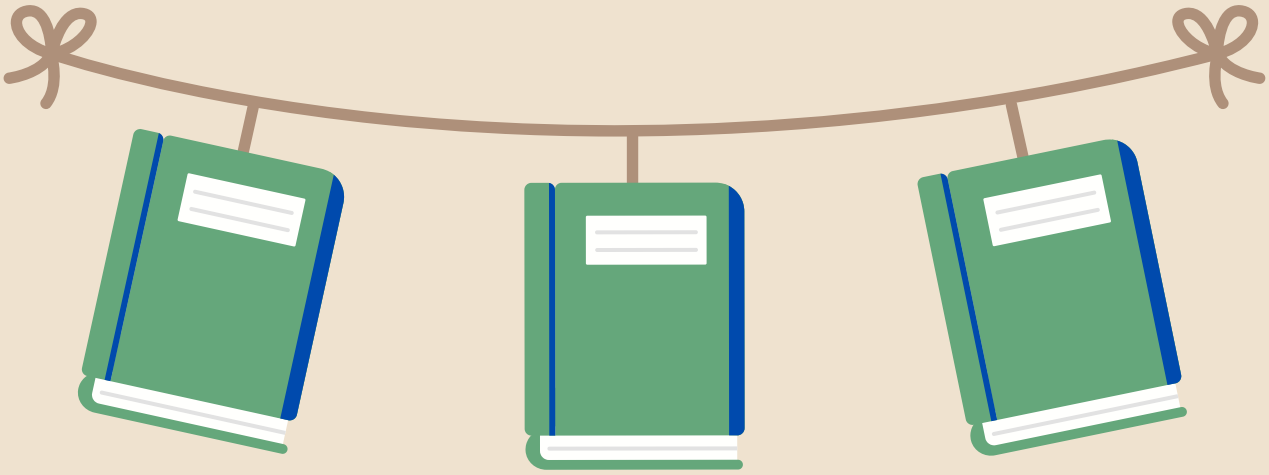

It has been such an amazing fall, but as the weather changes, please remember to check the weather forecast and send your child with appropriate outerwear for recess. Also, please remember to label your child's clothing, as items are easily misplaced or lost.

PE Reminders!

- Please make sure your child is wearing **socks** and **shoes** on their designated PE day. Crocs and boots do not count!

- 2nd-5th grade students:
  - please start practicing how to lace and tie shoes! In Feburary, we will be doing the roller skating unit, and this is a crucial step to success!

ADAMS ELEMENTARY BOOK FAIR

The Fall Book Fair is coming November 17-19. We've had a lot of parents sign up to help. Thank-you!! There are still a couple more days for sign-ups if you want to volunteer.
Here is the volunteer link for the book fair:
Adams Elementary: Fall Book Fair 2026

We've partnered with Scholastic to bring us our book fair November 17-19. The profits from the book fair buy books for the school library. Parents are welcome to come shop at the book fair! Ewallet is available for purchase if you don't want to send cash with your child. Any left over balance can be used at future book fairs, the online store or contributed to the Share The Fair program.

Share the Fair is a giving program built into Scholastic Book Fairs. These funds help support students at our school who need help getting new books. If you'd like to contribute to help other students experience that book joy, please follow the link on the book fair homepage. Thank-you!!

TOYS FOR TOTS CHRISTMAS GIFT OPPORTUNITY

As the holidays approach, we're excited to support Toys for Tots, an incredible program run by the U.S. Marine Corps Reserve. Their mission is simple but powerful: to collect new, unwrapped toys and distribute them as Christmas gifts to less fortunate children in our local community. A single toy can bring a smile, hope, and the magic of the holidays to a child who needs it most. If you'd like to help us make a difference please check out this link.

HELPFUL HINTS:

- Prices include tax!
- Each item is available in multiple designs, in multiple colors - which means TONS of choices! So, find the type of shirt/hoodie/accessory you're looking for and then find the design you want. Go into that item to choose the garment color (and size, if applicable).
- The accessories (hats, blankets) are not offered with all designs due to the size of the imprint area and the detail in the design.
- You might see "not enough stock" on some items. While this is a bummer, it's helpful in the long run. The site has LIVE inventory and can change during the sale. We suggest going up a size to see if that's available, or you can find a different shirt style or shirt color.
- Port & Co. brand items in a "heather" color may look like a SOLID color on the site. These images are system-fed from the supplier, but the product you receive will be "heathered". A simple google search can help you see the real deal if you want to be sure.
- "Featherweight French Terry" hoodies are closer to a soft t-shirt than a sweatshirt.

ORDER BY DEC 4TH

Upon the store closing to new orders, all items will be produced within 3 weeks. You will be notified when your order is ready for pickup at the school, or it can be sent home with your student. Happy shopping!
