

HOW TO UTILIZE TEXT MESSAGE NOTIFICATIONS AT ZEELAND PUBLIC SCHOOLS

Zeeland Public Schools utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information, including school closings, safety alerts, and more.

You can participate in this free service* just by sending a text message of "Y" to our school's short code, 67587.

Users may opt out of these messages at any time by simply replying to one of our messages with "STOP".

We recommend saving this short code and Caller ID to the contacts on your phone. This will help prevent any 3rd party call blocking systems from interfering with your receipt of important messages sent by ZPS.

ZPS values your privacy and information you provide related to SchoolMessenger Communicate will not be given or sold to anyone.

Information on SMS text messaging and Short Codes:

Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. Alerts sent over the wireless Public Alerting system are to take precedence over any notifications sent via the short code.
