

GRAND VALLEY STATE UNIVERSITY

# YOUNG PI'S

Research exposure, academic enrichment, and professional development.

**JULY 7TH - JULY 11TH, 2025**

**10AM - 3PM**

**GVSU ALLENDALE CAMPUS**

Join us during the Young PI's Summer Scholar Camp for an opportunity to discover and develop your research interests, curiosity, and begin building tangible academic and professional skills.

Young PI's is a five day summer program which allows participants to engage in meaningful lab work and undergraduate research alongside faculty and student mentors. The program includes a pre-lab and training, several days of hands-on lab work and research, and culminates in an academic presentation.
