

FREQUENTLY ASKED QUESTIONS ABOUT EDUCATION BENEFITS AND CHILD NUTRITION

Dear Parent/Guardian:

Children need healthy meals to learn. **Zeeland Public Schools** offers healthy meals every school day. Current Legislation allows for all students to eat qualifying complete meals for free regardless of financial income. Each Student may eat one complete breakfast and one complete lunch for free each day.

MILK ONLY IS \$.60. This is charged to any student who takes only milk. It does not qualify as a complete meal, and it is considered a la carte. Students must have money in their account to take milk only or any other a la carte items (middle school and high school offer more a la carte choices). Per the MDE there is to be no charging for a la carte items to accounts without the funds to cover these items.

A qualifying complete meal must meet state requirements. There are five components offered to make up a "complete meal", protein, grain, fruits, vegetables, and milk.

For lunch three of the five components are necessary (one of them MUST be ½ cup of fruit or vegetable) on your child's tray in order for it to qualify as a complete meal.

Breakfast also requires students to take three of the four components offered (one needing to be a ½ cup fruit).

Your children may qualify for Child Education and Nutrition benefits including Rec, Technology, & Testing discounts, etc. We strongly encourage every household to complete the Child Nutrition and Education Benefits Application to see if they qualify.

This packet includes an application for Child Nutrition and Education Benefits (free or reduced-price meals), and a set of detailed instructions. Below are some common questions and answers to help you with the application process.

If your child attends Z-Quest, their application expires **September 30, 2025**. You must send in a new application unless the school told you that your child is eligible for the new school year.
