Help Needed: Playground Volunteers

We're looking for recess volunteers to help make this important part of the school day safe, fun, and engaging for our students! Recess is where friendships grow, problem-solving skills develop, and kids recharge for learning. Your presence helps create a positive, supportive environment—and even a small amount of time makes a big difference. If you enjoy being outdoors and supporting students, we'd love to have you join us! We are specifically looking for volunteers on

Tuesdays and Thursday through the middle of February. Call the office at 616.748.3350 for more details.
