Hearing and Vision Testing

Lincoln Elementary will be hosting the Ottawa County Health Department for our annual Hearing and Vision testing on the following dates:

Hearing Testing (Grades K, 2, 4) - Monday, November 30

Vision Testing (Grades 1, 3, 5) - Tuesday, December 1

If a parent chooses to opt their child out of screening, written documentation is required and must include:

*Student's name, date of birth, teacher, and grade

*Which screening is being declined (hearing or vision) and screening date

*Parent's name and date

Important medical considerations:

• Students with shunts or medically implanted devices should not receive a hearing screening due to potential magnetic interference with the headphones.

• Parental consent is required for hearing screenings for students with insulin pumps or continuous glucose monitors.

Picture Retakes

Picture retakes are on Wednesday, November 11. If you would your child to get retakes, please let your child's teacher know and send in the original packet on Wednesday.

Thank you

Thank you to all who attended Parent Teacher Conferences. We loved seeing so many of you in the building taking time to meet with our teachers. We truly appreciate your involvement and support. Working together makes such a positive difference in your child's success.
