All the hard work is about to pay off! The Zeeland High Players have been diligently preparing their fall production: Cabin Chronicles.

Get tickets for this story of three best friends who are alone in an empty cabin. At night. In the woods. The perfect setting for a scary story competition! The three friends try to out-scare each other with tales of zombies, lab accidents and teenage slashers to distract each other from the pain of high school.

The show is NOT recommended for young children
