## Scheduled Recreation Programs

1. Scheduled activities include organized open play nights, township organized leagues, and lessons.
2. Recreation department programs have first priority to use of the courts during scheduled events.
3. Please be respectful of scheduled programs and activities and move off the courts 15 minutes prior to the start.

## Organized Open Play Format

1. Games will be played to 11, winners stay and split, losers move off courts and put their paddle in the rack. If you win twice, move off the courts and put your paddle in the paddle rack - unless no one is waiting.
2. If more than 8 paddles are waiting, courts may move to a 4 on, 4 off rotation.
3. Challenge courts are accepted. Format is 2 on, 2 off. Get in line with a teammate to challenge the winners of the next court. Winning team stays on until it loses, or maximum 3 games when busy.
